

# Environmental Policy

*It is the policy of Teledyne Microwave to continue to maintain and operate our businesses in full compliance with applicable environmental laws, regulations, permits and our Corporate Environmental Management System. It is also our policy to promptly evaluate and resolve any suspected instances of non-compliance. We recognize the importance of our environment and natural resources, and encourage all our employees to embrace our responsibility to society when using and planning the use of natural resources. We shall take an active role in discovering and implementing means to prevent harm to our environment and to our natural resources by continuous improvement in our environmental performance. Teledyne Microwave is committed to providing adequate personnel and other resources to comply with applicable environmental laws, regulations and permits and to implement, maintain and improve our Environmental Management System.*
